AN AIR-TIGHT

Cooking Stove,

With two Ovens.

—INVENTED BY— ...MANUFACTURED... OF PENNSYLVANIA.

THE greatest invention of the age,—the most practical and scientific production ever made in the Stove line 3000 of these Stoves were sold in New England, during 1848 —More than 30 000 are now ordered of the Manufactories in New England alone This Stove has received the highest premium from every Fair that it has been exhibited before

Hot Blast Air-Tight COOKING STOVE

[We would call the attention of the reader to the Report of the Worcester County Mechanics Association, held in the city of Worcester Sept 1848.]

112 *Hot Blast Air Tight Cooking Stove* contributed by Gordon Williston Worcester This stove involves an entire new principle in applying the heat to the baking or broiling of meats The fine flavor of meat cooked directly upon the coals is the result of the action of the carbon The broil on coals or over coals in our best Stoves where this flavor is acquired is both a difficult and disagreeable operation But in this stove a steak was broiled in three minutes without any smoke or odor escaping into the room It was evenly and well cooked and had all the pleasant flavor of a coal broil A large oven immediately over the ordinary oven is so constructed that the whole body of heat can be made to pass through it, leaving for the time being a flue for the draft This arrangement secures all the qualities of a good roast or bake in meats without the labor usually attendant on such affairs It likewise has good radiating qualities, with large oven and convenient arrangements for cooking furniture —[Silver Medal

MRS. E. KIDDER'S

Cholera, Dysentery,

....AND....

Diarrhœa Cordial,

—AN—

Immediate and Perfect Remedy,

....FOR....

Cholera, Dysentery, Summer Complaints of Children, Diarrhœa, Sea Sickness, general Debility, &c.

WHERE this all powerful anti-cholera is at hand, Cholera is no longer to be seriously feared or looked upon with terror—as this Cordial will most assuredly cure the disease in the course of a very few hours if taken at the commencement —

It has been before the public for more than seventeen years and was the first article made known to the public as an

IMMEDIATE AND PERFECT CURE
OF THE
CHOLERA

It has been thoroughly tested in every country and every climate, and in effect has every where proved these same,

SURE TO CURE,

even where the disease has advanced to its last stages

CHOLERA.

Accounts almost daily reach us of the ravages of the CHOLERA both at home and abroad and of the little success which has thus far attended the attempts to check its frightful inroads on humanity

Such being the fact, it surely may be regarded as an era in modern discoveries that a medicine has been discovered possessing the power of checking the progress of the Cholera, and eradicating it from the system

Mrs Kidder would most respectfully call the attention of the public to this invaluable medicine, known as her

"CHOLERA, DYSENTERY AND DIARRHŒA CORDIAL."

Many thousand lives have been saved by this medicine when the disease had advanced to its last stages

It is hoped that every housekeeper will keep the Cordial at hand, and if timely administered but little danger is to be apprehended from an attack of the

Cholera, Dysentery or Diarrhœa.

This Cordial immediately checks the vomiting, relieves the pains, stops the Diarrhœa and restores the bowels to a perfectly regular and healthy state however severe the attack may be, or however low the patient may have become it invariably restores

The Severest Cases of Dysentery

are immediately counteracted the pains allayed, the bowels healed and not unfrequently the bowels become perfectly regulated and restored in the short space of ten or twelve hours

Chronic Diarrhœa,

Either in children or adults, of months or years continuance, in most results cured with this Cordial notwithstanding they may be reduced to mere skeletons, it immediately strengthens, and shortly restores them to perfect health

Cholera Infantum.

It has saved the lives of many thousand children when reduced to death's door by this complaint—it gives immediate relief and they very soon recover

Sea Sickness.

It is a most pleasant and desirable remedy for Sea Sickness It checks the vomiting and readily restores the patient It invariably checks vomiting produced from any cause whatever

Children that are Teething,

if subject to Diarrhœa should always be provided with this medicine as it will keep the bowels regulated and keep off the Cholera It is wholesome safe and pleasant to the taste, and children are fond of it, and will take it without trouble or dislike

For General Debility and Dyspepsia,

it is a most excellent restorative giving a healthy tone to both the stomach and bowels, and prevents food from pressing or distressing the stomach

The public may rest assured that it contains neither opium or mineral substances or anything that is in the least injurious to the constitution

CAUTION.

Be sure that you obtain MRS E KIDDER'S CHOLERA MORBUS DYSENTERY and DIARRHŒA CORDIAL, and you will get the only true and original article, which has ever been in the highest estimation by the public throughout the whole country

It is put up in bottles holding nearly a quart intended for family use, and sold at One Dollar per bottle

The Supreme Judicial Court adjourned

the Court on statements of the facts a

rm the Court have rendered judgments in
most part delivering written opinions, in

embered that this is but one of the thir-
counties of the State, in which are holden in
ggregate throughout the year twenty full
and jury terms of the Court, some of the
of which continue at least two months, it
e admitted that a seat in this tribunal,
consists of only four judges, in a place
ing of its possessor a life of almost unin-

mount involved is comparatively of ght, se-
from the principles involved a character
utmost importance, and it also happens
many new combinations of facts are dai-
eloped, to which the application of rim-

cest perception Add to these the many
in which new principles, so to speak are
established, where the law needs to be
back to its fountains and the stream fol-
down in all its diversified branchings, and
ave altogether a mass of labor, the consci

aculate themselves upon—requires the

the respect and consideration which is
o this tribunal, the last resort of adjudica-

Democratic Convention at Portland.

Thursday, June 28

Gen ——, (Wilmot Proviso) of Guilford (looking at his watch) called the meeting to order, and nominated Gen Rose of Newport, as Chairman.

Maj Strickland immediately thereupon rose, and stated that *when the hour of nine o clock arrived*, he, as Chairman of the Democratic State Committee, should, take the liberty of calling that Convention to order

A B Caswell, of Farmington and L D M Sweat of Portland were appointed Secretaries under the Gen Rose organization

The Guilford General went by *down East* time, which was supposed to be a little fast

Maj Strickland, at precisely the hour of nine by Portland time, observing that by the usages of the party, the duty of naming a chairman to preside over the deliberations of the annual convention devolved upon the Chairman of the State Committee, proceeded to name Gen Clark of Oxford, Chairman

Each General was conducted to a chair, to wit the top of the table, amid the most tremendous spouts and yells that ever reeched through the quiet and respectable village of Portland) and each a multaneously proceeded to thank the convention for the honor conferred The uproar and din were tremendous

Each Chairman then nominated a committee on credentials, and each committee were declared chosen,

After Gen Clark was seated as Chairman, a huge great fellow from Kennebec, named Rice brother of the Judge, stood directly up in front of him in order that the Convention might not be able to see their latest chairman Maj Strickland requested this specimen of philanthropic democracy to stand aside Rice refused, but on the Majors threatening to *pulverise* him, he came to his milk and gave way

Gen Rose, the Wilmot Proviso () chairman, ventured to say something, when fifee or four Hunkers made demonstrations towards throwing him out of a window near Upon this the Gen was silent

Smart of Waldo, and Wiggin of Bangor, tried to address the convention in the short intervals of the almost incessant uproar

This state of things continued for an hour when a committee of conciliation, consisting of two from each county, selected by their respective delegations, were named, and to them was referred the whole matter of healing the portentous breech that had so early appeared in the convention

The Convention then adjourned til half past ten—but at that hour the committee were not ready to report and the convention adjourned till half past two

Then the Committee reported that they had unanimously agreed that Gen Clark should preside as chairman, and the two individuals first named as Secretaries should act as such, and that the committee on credentials should consist of six from each division of the conbatants Their report was accepted

There were some speeches in the afternoon, after which they adjourned till morning.

Friday, 8 P M

Speeches till 12½, when the Committee on credentials reported

Whole number of delegates, 606 Not reading in the towns which they they claimed to represent, 54 (These were afterwards admitted)

Number from unorganized or Wild Cat Plantations 24

Carey, of Houlton, moved the Wild Cats be admitted to seats

[N B The Wild Cats were very smooth looking characters from Portland and Bangor but they hailed from settlements in the bowels of Aroostook

Smart, of Waldo, moved that they be refused seats

The chairman ruled that the question was only an order when a single one of the claimants was offered—and that the rest had the right to vote upon his case

The question was put and the Wild-Cats were unseated by 87 majority

After this result, the hopes of the Hodgdon or Hunker party fixed out entirely

Then commenced the polling, the result of which we gave on Saturday, nominating Dr Hubbard for Governor by 118 majority

The convention so far as we have heard, never troubled itself to adjourn, but each detachment came away in their respective boats and vehicles Our information is no later than the departure of the Governor

R P Dunlap, the stereotyped figure head of all democratic conventions, was made chairman after the terrible Wild Cats were ejected.

Strong free soil resolutions were passed

The Murderer Coolidge.

It is possible that Coolidge may get his deserts in this world A despatch to Boston on Friday from Portland to the morning papers relates the following marvellous story Coolidge, it will be remembered, committed suicide in prison, and was buried by his friends After awhile a story was got up, that it was not Coolidge who was dead, but that he had escaped—having by some hocus pocus contrived to kill some one else, or obtain a dead body which was placed in his cell and mistaken for himself.—This is the substance of the despatch

"Dr Mann, of Showhegan, states that the body brought from Thomaston and buried as Dr Coolidge, was disinterred a few days since, and examined in presence of sixteen persons, including Mann himself and Coolidge's father, and they agreed it was not his body Coolidge's father testified that his son had lost the end of one thumb, and had no scar on his face, whereas the corpse had a scar on the cheek and both thumbs were whole

NEW AND Wonderful Discovery

GRAY HAIR can be restored to its original color, or, whether Auburn Brown or Black Sandy Light or Red Hair can be matched with any darker shade, surpassing in beauty even the most natural locks, retaining the gloss and softness of the original Hair, by using O M Ballard's

Permanent Liquid Hair Dye,

Of one preparation, which is entirely different from all other preparations of Hair Dye now before the public Is free from all injurious properties, which can be tested by taking a lock of the finest and most delicate Hair of an infant, and color it with the Dye, which will not impair its gloss or its texture in the slightest degree, which is the best evidence which can be given that it is not injurious On the contrary, it improves the lustre of the Hair, promotes its growth, and prevents it from falling out, and unlike other preparations, after the Hair is colored and dry, will not crock, fade, or wash out

In short, from its peculiar delicacy, softness, and easy application, it is worthy the attention of all who may wish to improve the color of the Hair as it will make any shade, from a white to a jet black It is now used to an unaccountable extent by persons who have prematurely turned gray, and others whose Hair is of no desirable color, which they restore or exchange for a beautiful Auburn Brown or Black, without any additional preparation or the slighest trouble

The great beauty and superiority of this Sarsaparilla over all other medicine is, while it eradicates disease it invigorates the body It is one of the very best

SPRING AND SUMMER MEDICINES

ever known it not only purifies the whole system and strengthens the person but it creates *new, pure and rich blood*, a power possessed by no other medicine And in this lies the grand secret of its wonderful success — It has performed within the last five years, more than 100,000 cures of severe cases of disease, at least 15,000 were considered incurable It has saved the lives of more than 5 000 children during the two past seasons

10,000 CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY

Dr Townsend's Sarsaparilla invigorates the whole system permanently To those who have lost their muscular energy by the effect of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

New York, April 28, 1847

Dr Townsend—I verily believe that your Sarsaparilla has been the means through Providence of saving my life I have for several years had a bad cough It became worse and worse At last I raised large quantities of blood, had night sweats and was greatly debilitated and reduced and did not expect to live—I have only used your Sarsaparilla a short time and there has a wonderful change been wrought in me I am now able to walk all over the city I raise no blood, and my cough has left me You can well imagine that I am thankful for these results

RHEUMATISM

This is only one of more than four thousand cases of Rheumatism that Dr Townsend's Sarsaparilla has cured The most severe and chronic cases are weekly eradicated by its extraordinary virtues

James Cummings, Esq one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter

Blackwell's Island, Sept 14, 1847

Dr Townsend—Dear Sir I have suffered terribly for nine years with the Rheumatism, considerable of the time I could not eat, sleep or walk. I had the most distressing pains, and my limbs were terribly swollen I have used four bottles of your Sarsaparilla and they have done me more than one thousand dollars worth of good I am so much better—indeed, I am entirely relieved You are at liberty to use this for the benefit of the afflicted Yours respectfully,

JAMES CUMMINGS.

FITS! FITS! FITS!

Dr Townsend not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County

Fordham, August 13, 1847

Dr Townsend—Dear Sir, I have a little girl, seven years of age who has been several years afflicted with Fits we tried almost every thing for her, but without success, at last, although we could find no recommendation in your circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength but she has had no return of the Fits, to our great pleasure and surprise She is fast becoming rugged and hearty, for which we feel grateful Yours, respectfully,

JOHN BUTLER, Jr.

FEMALE MEDICINE

Dr Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri or Falling of the Womb, Costiveness Piles Leucorrhoea or Whites, obstructed or difficult Menstruation Incontinence of Urine or involuntary discharge thereof and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness, or accident Nothing can be more surprising than its invigorating effects on the human frame Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence It immediately counteracts the nervelessness of the female frame which is the great cause of Barrenness—It will not be expected of us, in cases of so delicate a nature to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine healthy offspring

TO MOTHERS AND MARRIED LADIES

This extract of Sarsaparilla has been expressly prepared in reference to female complaints No female who has reason to suppose she is approaching that critical period "*The turn of life*" should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life This period may be delayed *for several years by using this medicine* Nor is it less valuable for those who are approaching womanhood as it is calculated to assist nature by quickening the blood and invigorating the system Indeed this medicine is invaluable for all the delicate diseases to which women are subject

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation—which is the case of most medicines taken for female weakness and disease By using a few bottles of this medicine, many severe and painful surgical operations may be prevented

GREAT BLESSING TO MOTHERS AND CHILDREN

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child birth ever discovered It strengthens both the mother and child, prevents pain and disease, increases and enriches the food—those who have used it think it is indispensable It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine—in some a little Castor Oil or Magnesia is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement

BEAUTY AND HEALTH

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own production in the "human face divine," as well as in the garden of rich and delicately tinted and variegated flowers A free, active and healthy circulation of the fluids or the coursing of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe This beauty is the offspring of nature—not of *powder or soap* If there is not a free and healthy circulation, there is no beauty If the lady is fair as driven snow, if she paint and use cosmetics, and the blood is thick, cold, and impure, she is not beautiful If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes, that is fascinating.

This is the reason why the southern, and especially the Spanish ladies, are so much admired Ladies in the north who take but little exercise or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes, and beautiful complexions, they should use Dr Townsend's Sarsaparilla Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our office daily.

NOTICE TO THE LADIES.

Those that imitate Dr Townsend's Sarsaparilla have invariably called their stuff a *great remedy for females*, &c., &c, and have copied our bills and circulars which relate to the complaints of women, word for word—other men who put up medicine have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs, although previously they did not A number of these Mixtures, Pills, &c, are injurious to females, as they aggravate disease, and undermine the constitution.

SCROFULA CURED.

This Certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented

THREE CHILDREN.

Dr. Townsend- Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine.—They were afflicted very severely with bad sores; have taken only four bottles, it took them away, for which I feel myself under great obligation. Yr's respectfully,

ISAAC W. CRAIN, 106 Wooster st.

Owing to the great success and immense sale of Dr Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements,—they are worthless imitations, and should be avoided

N. H. DOWN'S
Vegetable Balsamic Elixir,
The Great Northern Remedy for Consumption!

ALSO the most effectual remedy in the world, for *Colds Coughs Whooping Cough Croup or Quincy, Asthma, Pain in the Side or Stomach*, and all diseases of the LUNGS AND LIVER

This medicine is purely vegetable, and is by far the most effectual medicine known for all diseases affecting the BROCHIAL OR PULMONARY ORGANS

Its effect upon the patient is most marked, and differs from that of most medicines recommended for the same complaints, in the following particulars

1st—It never irritates the organs it should soothe —never dries up the cough, leaving the cause untouched—but first *loosens the cough, increases the expectoration or spitting* then removes the cause *eradicating it completely* from the system when as a matter of course, the *cough ceases*, and the patient is well

2d—It never produces costiveness in the consumptive patient—on the contrary, it has a laxative effect and is a moderate cathartic We defy the world to produce a case of costiveness so inveterate but that in two or three weeks (the patient in the mean time having proper regard to diet) it will entirely remove it and produce a healthy action of the bowels

3d—It does not produce a *dryness of the skin* but is a powerful promoter of *sensible and insensible perspiration*, thus expelling by the pores of the skin, those nauseous fluids and impurities of the blood, the retention of which in the system is the sure *precursor of* DISEASE SICKNESS AND DEATH

We do not pretend that DOWNS ELIXIR is a specific for all the ills that flesh is heir to, but we do say, and can confirm by incontestable evidence that for

CONSUMPTION,

And all all diseases of the *lungs the liver and the pulmonary organs* it is *unrivalled—unequalled*— HUNDREDS by have been snatched from an UNTIMELY GRAVE, and hundreds who *delayed too long its use*, have found in the advanced state of their disease that RELIEF FROM SUFFERING, which they had vainly sought from every other source

This INVALUABLE MEDICINE is *highly concentrated* and put up in 2 oz and 4½ oz bottles at fifty cents and one dollar per bottle, and each bottle warranted to contain MORE CURATIVE PROPERTIES than four bottles of any of the *weak, adulterated* pint bottle preparations of the day

We have received *hundreds of certificates* of its wonderful cures, from every part of the country many of which have been published *and may be had gratis of any of our agents*

Sold wholesale and retail by CURTIS & SMITH General Agents, ST ALBANS VT, to whom all orders for supplies of the medicine should be addressed (stating the best mode of sending it)—also sold by agents in nearly all the villages and towns in the country

Deficiency of Nervous and Physical Energy, and all Nervous Disorders, including the most dreadful of all diseases that ever affect the human race

EPILEPTIC FITS,

or Falling Sickness, Hysterical Fits, Convulsions, Spasms, &c Dr Hart would impress it upon the minds of the afflicted that the Vegetable Extract is the only remedy ever discovered that can be relied on for the permanent cure of this most dreadful of all diseases And its tendency is to insanity, madness and death, the most

SKILLFUL PHYSICIANS

of Europe, as well as those in our own country, have pronounced Epilepsy incurable And it has been so considered by many, until this most important of all discoveries was made by Doctor S Hart nearly sixteen years since, during which time it has been performing some of the most

REMARKABLE CURES

upon record, and has acquired a reputation which time alone can efface Physicians of undoubted skill and experience, ministers of various denominations, as well as hundreds of our eminent citizens all unite in recommending the use of this truly valuable medicine to their patients, charge, and friends, who are thus afflicted as the only remedy

WE QUOTE THE LANGUAGE

used by those who have been cured by this valuable medicine One says, "I have suffered beyond my power of description but now I rejoice in being fully restored to health and happiness" Another says, "I thank God I feel that I am a well man I also feel it my duty to proclaim it to the ends of the earth that those similarly afflicted may find relief. Another (who is an

EMINENT LAWYER,

and well known in this city,) says, "my son has been afflicted for years with Epilepsy, but is now enjoying good health from the Vegetable Extract Its fame," says he, "should and ought to be sounded to the ends of the earth" Another says," Language is entirely inadequate to express my gratitude to Dr Hart, for having been the means under the blessing of God, of restoring me to good health after having been afflicted with Epilepsy in its worst forms for more than twenty three years, and my morning and evening oblation of praise and thanksgiving shall continue to ascend to that God who has afflicted but to make me whole"

Mrs J Bradley, 115 Orchard street, New York states that she has been subject to Fits for many years and has been restored to perfect health (at once) by the means had (used) by the use of the Vegetable Extract

Dr Charles A Brown, of Dover Rossell co Alabama who is one of the best Physicians in the State says that he has been much benefited by the use of the Vegetable Extract and that he unhesitatingly professes it in every case of Epilepsy which comes under his knowledge

Curtis G Mayberry, Esq formerly Postmaster at Lime Mills Crawford Co Pa, now living in Erie Co Pa states that for many years past he has been sorely afflicted with Fits and he is now happy to attest that a persevering use of Dr Hart's Vegetable Extract has restored him to sound health, being entirely freed from that worst of all diseases

Mr Stephen E Pratt, corner of Sixth Avenue and Twenty sixth Street, New York states that Mr Charles E Boughton a member of his family has been so severely afflicted with EpilepticFits for many years that he was obliged to relinquish his business Having used Dr Hart's Vegetable Extract [says Mr P] he was soon restored to perfect health, and left this city for the State of Ohio to resume his business

Rev Mr Smith Rector of St Peter's Church, Spotswood New Jersey, who has been afflicted with Epileptic Fits for more than forty years, states that he has used Dr Hart's Vegetable Extract, and his health has been so much improved that he hopes by Divine blessing to have no more Fits

EPILEPTIC FITS,

For twenty seven years and six months, cured by the use of this truly wonderful medicine

Read the following remarkable case of the son of Wm Secore, Esq of Philadelphia, afflicted with Epileptic Fits for twenty seven years and six months—After travelling through England, Scotland Germany, and France, consulting the most eminent physicians, and expending for medicine, medical treatment and advice three thousand dollars, returned with his son to this country in November last, without receiving any benefit whatever and was cured by using

HART'S VEGETABLE EXTRACT

I have spent over three thousand dollars for medicine and medical attendance I was advised to take a tour to Europe with him, which I did I first visited England I consulted the most eminent physicians there in respect to his case, they examined him and prescribed accordingly I remained there three months without perceiving any change for the better, which cost me about two hundred and fifty dollars, pocketed by the physicians and the most that I received was their opinion that my son's case was hopeless and

POSITIVELY INCURABLE

I accordingly left England, travelled through Scotland, Germany and France, and returned home in the month of November, with my son as far from being cured as when I left I saw your advertisement in one of the New York papers, and concluded to try Hart's Vegetable Extract, seeing your statements and certificates of so many cures, some of twenty and thirty years standing and I can assure you I am not sorry I did so as by the use of Hart's Vegetable Extract all alone he was restored to

PERFECT HEALTH

His reason, which was so far gone as to unfit him for business is entirely restored with the prospect now before him of life, health and usefulness He is now 28 years of age and 27 years 6 months of this time he has been afflicted with this most dreadful of diseases, but thank God is now enjoying good health

Now, sir faith without works I don't believe in—To say I shall be ever grateful to you is one thing, and as I here enclose you one hundred dollars I have no doubt you will think this another and quite a different thing The debt of gratitude I still owe you, but please accept this amount as interest on the debt In advance Yours very respectfully

(Signed) WILLIAM SECORE
